AL NASR METAL INDUSTRIES L.L.C.

AL NASR METAL INDUSTRIES L.L.C.

Al Nasr Metal Industries (AMI) is a UAE-based company headquartered in Abu Dhabi, specializing in metal fabrication, welding, and precision machining solutions for the oil & gas, construction, industrial, and infrastructure sectors.

AMI delivers end-to-end engineering services, from design and fabrication to machining and installation, with a strong commitment to quality, safety, and reliability.

Welding & Fabrication Division

AMI manufactures **DNV-compliant** offshore containers, waste skip baskets, cargo carrying units (**CCUs**), structural steel, skids, pipe racks, and engineered lifting equipment, including spreader and heavy-duty lifting beams.

Our certified welding capabilities include **SMAW, GTAW (TIG), GMAW (MIG), FCAW,** and **SAW**, supported by destructive and non-destructive testing (**NDT**) and Third-Party Inspection (**TPI**) to ensure compliance with international standards.

Machining (Threading) Division

AMI provides API and OEM premium threading solutions for **OCTG** and rotary shoulder connections, supporting globally recognized systems such as **VAM, Tenaris, JFE**, and **NOV**. Our services include API and **OCTG** threaded connections, OEM premium threading, and the repair and reconditioning of drill pipes, drill collars, drill stem subs, and **OCTG** accessories. Backed by advanced facilities, licensed expertise, and skilled professionals, AMI delivers precision-engineered solutions that help customers achieve safe, reliable, and efficient operations across multiple industries.
