AL NASR TECHNICAL TRADING AGENCIES L.L.C.

Alnasr Technical Trading Alliances (ATTA) is a prominent UAE-based manufacturer and supplier of lifting, rigging, and material handling solutions. We proudly serve critical industries, including Oil & Gas, Marine & Offshore, Construction, Logistics, Transportation, and Heavy Engineering sectors. Our team specializes in engineered lifting products designed to meet the most demanding industrial requirements.

Our comprehensive portfolio includes wire rope slings, webbing slings, and high-strength chain slings available in Grade 80 and Grade 100. We also supply premium rigging hardware, such as shackles, hooks, turnbuckles, and lifting accessories. All of these products are meticulously designed and assembled in strict compliance with international standards, including BS EN.

Our manufacturing operations and quality systems are strengthened by globally recognized approvals that guarantee excellence. We hold the prestigious DNV type approval for offshore container slings and LEEA certification for lifting sling manufacturing. Furthermore, our full compliance with ISO, API, and EIAC standards ensures safety, reliability, and traceability.

In addition to our core manufacturing, we supply premium ATTA-branded steel wire ropes developed in collaboration with leading global partners. These ropes are engineered specifically to support demanding industrial and marine applications.

This collaborative approach allows us to deliver high-performance products that withstand the harshest operating environments across the region.
